SUPPLEMENTAL RESPONSE AND
STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

In supplement to the Amendment filed herein on January 24, 2005, Applicant provides herewith his Statement of Substance of the telephone interview which was conducted between the Examiner and Applicant's undersigned counsel on January 4, 2005.

1. **Brief description of nature of exhibits/demonstrations:** N/A
2. **Claims discussed:** 1, 62-64 and 67
3. **Prior art discussed:** Handel et al. (U. S. Pat. No. 6,195,651)
4. **Proposed amendments discussed:** We discussed possibly amending the claims to include a feature from one of claims 62-64 and 67.
5. **Arguments made by Applicant's representative:** We pointed out to the Examiner that the Declaration filed on April 28, 2003 effectively "swore behind" the Handel reference, and that even assuming (arguendo) that Handel is prior art against the claimed invention, Handel does not teach or suggest the claimed invention. For example, Handel does not teach or suggest the limitations of any of claims 62-64 and 67.
6. **Other pertinent matters:** N/A
